

## Bryophytes and Lichens

Total: 26

### Mosses

- 1 *Atrichum angustatum*
- 2 *Brachythecium rutabulum*
- 3 *Ulota crispa*
- 4 *Ceratodon purpureus*
- 5 *Ditrichum pallidum*
- 6 *Racomitrium canescens*
- 7 *Plagiomnium cuspidatum*
- 8 *Amblystegium trichopodium*
- 9 *Entodon seductrix*
- 10 *Entodon cladorhizans*
- 11 *Ditrichum rhyncostegium*
- 12 *Brachythecium compestre*
- 13 *Platygeriens repens*
- 15 *Funariaceae sp.*
- 16 *Bryum argentium*
- 17 *Leskeella nervosa*
- 18 *Orthotrichum sordidum*
- 19 *Orthotrichum stellatum*
- 20 *Bryopsida sp.*
- 21 *Brachythecium salebrosum*
- 22 *Hypnum pallescens*
- 23 *Plagiomnium ciliare*
- 24 *Leskea Gracillescens*
- 25 *Fontinalis atipyrectica!!!* --> growing on stone wall under water eroded holes in stone
- 26 *Platydictya subtilis*

### Liverworts

- Frullania inflata*
- Chiloscyphus sp.*

### Lichens

- Punctelia rudecta*
- Phaeophyscia rubroputera*
- Flavopunctelia sp.*
- Candelaria concolor*
- Physcia stellaris*
- Flavopunctelia cuparatta*
- Physcia millegrana*
- Candelaria fibrosa*
